## Your happiness!

- God wants to empower you to have a happy and holy marriage. He wants to protect you from the evils of divorce, to help you raise your children well, and to flourish as a family.
- God does all these things through the Sacrament of Matrimony. Through His grace, He gives spouses the strength to love and grow and face the challenges of life.
- God wants to surround you with a community that will help you to flourish in your marriage. The Body of Christ, the Church, is there to support you.
- Having a successful marriage involves **three** things: **finding** the right person, **being** the right person, and inviting **God** into your relationship.
- Marriage has been designed by the Creator “from the beginning” to be the place where lifelong and life-giving love forms a family.

Jesus Christ, at the center of this union, makes it possible.
